When buying from an artist/maker, you're buying more than just an object/painting. You are buying hundreds of hours of failures and experimentation. You are buying days, weeks & months of frustration and moments of pure joy. YOU AREN'T JUST BUYING A THING. you're buying a piece of heart, part of a soul, a moment of someone's life. Most importantly, you're buying the artist more time to do something they are passionate about.
